

Commercial Food Service Energy Star Program

Enjoy the benefits of cooking with electric – **plus earn rebates from Alabama Power** – when you install eligible Energy Star electric cooking equipment

Eligible Equipment	Rebate per Unit	Minimum kW
Fryers	\$1,500	10 kW
Griddles	\$1,500	4 kW
Ovens (Full)	\$1,500	10 kW
Ovens (Half)	\$750	5 kW
Other	\$60 (per kW)	5 kW

BONUS! Wiring Assistance Rebate for conversions from gas to electric – \$15 per kW.

Qualifying customers include Restaurants, Hospitals, Universities, Local Government, Nursing Homes, Convenience Stores and Grocery Stores.

By installing Energy Star-rated equipment, you could save thousands of dollars on your annual utility bills from the increased energy efficiency.

For example, see how much more efficient the following Energy Star-certified equipment is compared to standard models:

Electric convection ovens – 20% more energy efficient

Commercial standard vat electric fryers – 14% more energy efficient

Large vat fryers – 35% more energy efficient

Electric griddles – 11% more energy efficient

Visit alabamapower.com/bizoffers to apply, or call the Business Service Center at **1-888-430-5787** for more information. Effective as of June 1, 2023. Subject to change without notice.
