DETERMINATION OF MONTHLY RATE DISCOUNT

The Customer's kWhs will be calculated in accordance with the applicable rate schedule. Prior to charges pursuant to Rate ECR, adjustments under Rate T, and the Utility Gross Receipts Tax, the monthly energy rate discount shall be applied to the metered kWhs measured during the EV CHARGING PERIOD as defined above.

All provisions of Rate FD, RTA, or Rate RTA-Energy Only not specifically mentioned in this rider are incorporated by reference and remain in effect.

TERM OF CONTRACT

Service under this rate rider shall be for a period of three (3) years and shall expire unless renewed by Customer. Customers will receive a renewal reminder and can renew discount by completing Company approved documentation verifying possession of qualified PEV.

GENERAL

Service under this rider is subject to rules and regulations approved or prescribed by the Alabama Public Service Commission, including Special Rules and Regulations governing the application of this rider. The discount is waived and will not apply in any month in which the Customer is charged the Minimum Billing under the applicable rate.
