RE: Martin Dam Relicensing Project No. 349  
Water Quality Panel Discussion Plan

Mr. Jim Crew  
Alabama Power Company  
Birmingham, AL 35203

Dear Mr. Crew:

In your Water Quality Panel Discussion Plan dated May 2010, the schedule of events section indicated that the final answers of the panelists would be sent out to MIG 2 and MIG 3 members on July 14, 2010. The thirty-three page document with answers was received today, Friday, July 23, 2010, at 11:56 AM, and only after I requested a copy from Ms. Pate via email. It is my understanding that no other MIG members received their copies on time either.

You have scheduled the Panel Discussion meeting for Tuesday, July 27, 2010, which gives stakeholders only Monday to review the answers and prepare for the discussion. Whether this action was planned or not we would like to request that the Discussion Meeting be delayed for at least a week to allow all stakeholders to prepare for the meeting.

We look forward to your response.

Sincerely,

A handwritten signature in black ink that reads 'Jesse M. Cunningham'. The signature is written in a cursive style with a large, sweeping initial 'J'.

Jesse M. Cunningham
