**Reference: Clarification for Study Plan Determination for the Martin Dam  
Hydroelectric Project Issued on April 17, 2009**

Dear Mr. Allison:

On April 27, 2009 you requested clarification of the geographic scope for five studies approved by the Director, Office of Energy Projects on April 17, 2009. You had also inadvertently omitted study plan 10 from Table 1 in your clarification letter. The geographic scope of study plans 3, 5, 10, 12(a), 12(d), and 12(e) should extend to River Mile 12.9 in the Tallapoosa River.

If you have any questions, please contact Lee Emery at (202) 502-8379.

Sincerely,

Mark Pawlowski, Chief  
Hydro East Branch 2
