SUPPLEMENTARY, BACK-UP, AND MAINTENANCE POWER (see Rate Rider RGB for definitions)

Supplementary, Back-up, and Maintenance Power shall be provided to a Customer with a demand of less than 5 KW under the rate schedule applicable for that class Customer. Customer charges and minimum billing provisions of the appropriate rate shall apply. Supplementary, Back-up, and Maintenance Power shall be provided to a Customer with a demand of 5 KW or greater under provisions of Rate Rider RGB.

PAYMENT

Statements covering charges and credits for energy received from the Customer and charges for Supplementary, Back-up, and Maintenance Power shall be rendered monthly. The statement will be accompanied by a check for the amount due if the Customer's credits for energy delivered exceed the Company's charges by more than \$1.00. A monthly credit of \$1.00 or less will be accumulated and paid when the total amount due exceeds \$1.00. Charges to the Customer exceeding credits for energy received from the Customer are payable within ten (10) days from the due date and if not paid within such period become delinquent and subject to charges as set forth in the rules and regulations under which the Company must operate.

TERM OF CONTRACT

Service under this rate shall be for a period of not less than three (3) years and thereafter until terminated by ninety (90) days written notice by either party to the other.

GENERAL

Service under this rate is subject to rules and regulations approved or prescribed by the Alabama Public Service Commission, particularly those Special Rules and Regulations governing the application of this rate.
