

## How to play:

Each bingo card contains 24 numbers and a blank square. When the game starts, random energy efficiency tips are read aloud and whoever of the players participating in the game completes a bingo pattern first, wins. Find something fun at home to cover the spaces (pennies, dried beans, construction paper cut into pieces).

- ▶ Turn off lights when you leave a room.
- ▶ Turn the water off when brushing your teeth.
- ▶ Take a short shower instead of a long bath.
- ▶ Don't leave the refrigerator door open.
- ▶ Unplug electronics and games when not in use.
- ▶ Keep doors & windows shut when heat or A/C is running.
- ▶ Use energy-saving LED bulbs.
- ▶ Make sure dishwasher is full before turning it on.
- ▶ Use ceiling fans to stay cool.
- ▶ Close shades, drapes, and blinds during the day to block out unwanted heat from the sun.
