

Don Scivley serves as Vice President of Corporate Services for Alabama Power, which provides electricity to more than 1.4 million customers across the state. In this role since 2014, he has responsibility for Facilities and Critical Infrastructure, Fleet Services, Meeting & Event Services and Supply Chain Management.

Since joining Alabama Power in 1984, Scivley has held many positions within the company. He spent the first 14 years of his career in Customer Service Operations in the Western, Eastern and Mobile Divisions. In 1998, he moved to Birmingham when he was named Assistant to the Executive Vice President. He later served as Revenue Accounting Manager, Assistant to the Senior Vice President, Business Practices Manager and Marketing Director. In 2010, he was elected as Vice President of Marketing, where he had responsibility for development and implementation of sales and energy efficiency programs.
